Arg☺

We received a petition from NWEA asking EPA to update WA's human health and aquatic life criteria (most have not been revised since 1992). I haven't read this yet (it's pretty long), but wanted to share with you.

Subject: FW: Petition to EPA Administrator -- WA toxics

FYI – I haven't read this yet, but my understanding is that it includes human health and aquatic life. Could you please share with the appropriate folks at HQ?

Thanks,

Dan, Christine, and Angela:

Please find attached the petition to Administrator McCarthy regarding Washington's toxic criteria.
